ABOUT THE PROGRAMME

Research is the systematic and objective process of gathering, recording and analyzing data for taking appropriate and meaningful decisions. It connotes a patient study and scientific investment, wherein the researcher takes more careful look at data to discover all that could be known more deeply about the subject under study. Applied research facilitates managerial decision-making and reduces uncertainty. To keep pace with the recent advancement in any discipline, one has to be well versed with the latest developments in research methodology. Keeping in view the importance of research methodology, workshop aims to explore the basic dimensions of research and the concomitant need for participants to rethink about the assumptions that underlie historic paradigms of research in the field of management.

The study of research methodology gives the student the necessary training in gathering material and arranging or card-indexing them, participation in the field work when required, and also training in techniques for the collection of data appropriate to particular problems, in the use of statistics, questionnaires and controlled experimentation and in recording evidence, sorting it out and interpreting it. The core objective of this workshop was to equip the research scholars with set of skills and potentiality to undertake the research very effectively in a disciplined way and to turn completed research into publishable material of high quality in the form of thesis work, articles, journals and books. This workshop was designed to offer the practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the submission of a thesis, report writing and research article and teach them about analysis of data with the help of suitable software.

SPECIFIC OBJECTIVES OF THE PROGRAMME

1. To provide overview of Contemporary Research Methodology & Review of Literature.
2. To help participants to choose the right methodology for their research study.
3. To provide the platform for discussion on the methodological requirements of research and to simulate & capture new approaches.
4. Exposure of Data Analysis techniques by SPSS & MS Excel.
5. Extensive Coverage of Latest Multivariate Analysis Techniques such as Factor & Two-Step Cluster Analysis, MDs, Correspondence Analysis, Conjoint Analysis, Multiple Discriminate Analysis, Logistic Regression, Answer Tree, CFA, SEM etc.

6. Time Series Analysis Techniques.
7. To develop confidence as Independent SPSS Data Analyst.

KEY HIGHLIGHTS OF THE PROGRAMME

- 1 Research methodology in Social Science(in science, social science and arts)
- 2 Basic tenets of research and formulation of research problem, research design and variables
- 3 Introduction to observation, their types with advantages and disadvantages
- 4 Statistical Techniques: Parametric and Non-Parametric Tests (e.g., Analysis of Variance, Analysis of Co-variance, Simple Regression, Multiple Regression, and Logistic Regression, etc.)
- 5 Formulation and Testing of Hypotheses through Practical Sessions using SPSS
- 6 Descriptive statistics (measure of regression, kurtosis, correlation, skewness, dispersion and central tendency.)
- 7 Ethics in research, introduction to ethical issues involving in research
- 8 Politics and policies of research, uses and discrimination of research finding
- 9 Validity and Reliability in research
- 10 Introduction to academic writing, challenges and preparations, Research Proposal and Process of publication (Book, Research paper, Research Articles)

PARTICIPANTS

The number of seats for the Capacity Building Programme (CBP) is restricted to twenty (20) candidates from Social Science disciplines, out of which ten (10) from Uttar Pradesh, and ten (10) participants are to be selected from outside the state as per the ICSSR guidelines.

Faculty members of Economics/ Commerce/ management/ Psychology/ Sociology/ Political Science and/ or any allied subjects of Social Science having orientation in research methodology and statistics are eligible for this programme.

LEARNING OUTCOME OF THE PROGRAMME

- After attending CBP, participants will get an in-depth understanding of research and its implications in decision making process;
- Gain better understanding on how to design a valid research project to answer specific research questions;
- Design reliable and valid questionnaires for collection of data; and
- Gain better understanding of academic writing, like, research paper, books, articles etc.

ACCOMMODATION & TRAVEL ALLOWANCE

Accommodation will be provided only to outstation participants in University Guest House/Hotels on sharing basis from June 10, 2019 (evening) to June 25, 2019 (morning). Travel allowance by shortest distance (bus or train fare, sleeper or AC 3-tier only) will be reimbursed to the outstation participants after submitting original tickets through PFMS Scheme.

CERTIFICATE OF PARTICIPATION

The participants will be provided certificates on successful completion of the Programme. It is mandatory for all participants to attend all the classes/sessions.

ESSENTIAL CONDITIONS

Candidates having knowledge of basic statistics and Computer skill will be preferred. Selected candidates would be informed through Email or Phone. Further, it is desirable for all the selected participants to bring their own laptop for the hands-on practice sessions. Selected participants are asked to develop a full length research paper **(4000-5000 words in Times New Roman, 12 font size, spacing 1.15, with Chicago Manual Referencing Style)** on any one of the government flagship programmes and their effectiveness, like, **(I)** Deen Dayal Upadhyaya Grameen Kaushalya Yojna, **(II)** Pradhan Mantri Mudra Yojana, **(III)** Atal Pension Yojana, **(IV)** Pradhan Mantri Suraksha Bima Yojana, **(V)** Pradhan Mantri Awas Yojana (PMAY), **(VI)** Pradhan Mantri Kaushal Vikas Yojana (Skill India), **(VII)** Pradhan Mantri Jan Dhan Yojana, and **(VIII)** Standup India **(IX)** Pradhan Mantri Ujjawala Yojana **(X)** Pradhan Mantri Fasal Bima Yozana etc. and present it at the final day of Faculty Enrichment Programme (FEP).

HOW TO APPLY

Interested faculty members can apply to **Programme Director** along with duly filled up nomination form on or before **May 10, 2019**.
