**DEPARTMENT OF RASA SHASTRA, FACULTY OF AYURVEDA**

**INSTITUTE OF MEDICAL SCIENCES**

**BANARAS HINDU UNIVERSITY**

**VARANASI - 221005, INDIA**
Ayurveda is the science of life practiced by ancient Aryans, and it is based on Atharva Veda, one of the oldest scriptures of Hinduism. Mahamana Pt. Malaviyaji was of the firm view that, Ayurveda is the science which can serve the entire Nation for improving its health and life as a whole. With this aim full fledged studies of Ayurveda commenced in BHU since 1927 and with due progresses, Faculty of Ayurveda is working today. Faculty of Ayurveda is propagating Globally due to its uniqueness in relation of its management of diseases.

Rasa Shastra

Rasa shastra Department was established in 1978, in the Faculty of Ayurveda, Institute of Medical Sciences ,Banaras Hindu University. Department of Rasa Shastra is responsible in teaching , training and research of Rasa Shastra and Bhaishajya Kalpana. Rasa Shastra deals with conversion of mineral/metal/ animal origin, herbs of poisonous nature, some aquatic substances and plant material in to efficacious medicines as an out come of its specialized processing techniques i.e. Shodhana, Bhavana, and Marana etc. Rasasushadhis are known for their uniqueness to provide quick therapeutic action, lesser dose regimen, better palatability, long shelf life and wider range of therapeutics to treat acute and chronic diseases. Bhaishajya Kalpana deals with preparation of different dosage forms i.e. churna, vati, gutika, avalehya, asava, arishta and pathya kalpana etc. these dosage forms are still prescribed by Ayurvedic physicians very efficiently. Ayurvedic pharmaceutics i.e. Rasa Shastra & Bhaishajya Kalpana, enriched with number of formulations.

GENESIS & OBJECTIVES

Present day demand of Ayurvedic formulations has been raised globally. Hence commercialization of Ayurvedic drug manufacturing took place. Therefore certain things i.e. Standardization, Quality control, Safety became essential requirements for Ayurvedic formulations.

In view of evidences, practices and belief about Ayurvedic formulations , Department has been decided to conduct this ICRAAP-11 to reveal the real fact and to find out a protocol and guidelines for Ayurvedic formulations by incorporating recent advances took place in this field.

SCIENTIFIC PROGRAMME

Resource persons of repute, from the concerned field i.e. Ayurvedic Pharmaceutics, will deliver lectures in scientific sessions. One session is being reserved for brain storming interactive discussion related to recent advances in Ayurvedic Pharmaceutics.

THEMES OF INTERNATIONAL CONFERENCE

01. Issues related to collection, procurement and storage of Raw Material
02. Different aspects related to manufacturing of Ayurvedic medicines.
03. Quality control and Quality assurance of Ayurvedic formulations.
04. Safety and efficacy studies of Ayurvedic formulations
05. Global scenario of Ayurvedic Formulations.

CALL FOR PAPERS

Organisers will be happy to receive abstract and full papers up to 20th Sept. 2011 and they will be published in Souvenir after due scrutiny by scientific committee in international conference. Abstract for oral/poster presentations in the scientific sessions during conference should be in maximum 200 words typed in MS word (for English - Times new roman, font size 12 and for Sanskrit-Khalnayak). The registration fee is mandatory to submit the abstract and it should be mailed along with, soft copy (CD) and hard copy.
