

For BHU website:

Date: 27/03/2017

Applications are invited for one Junior Research Fellow to work in a SERB Research Project entitled "Study of cyanobacterial glutaredoxins: Bioinformatics analysis and functional characterization" (Project Code no P-07/641) sanctioned for a period of three years. The tenure of the fellowship will be co-terminus with the scheme and the stipend payable will be Rs 25,000/- + HRA per month for the first two years and Rs 28,000/- + HRA for the third year as per SERB rules.

The candidates should be M.Sc. Applied Microbiology/Biochemistry/Bioinformatics/Biotechnology/Botany/Life science/Microbiology/Molecular Biology or a related field (with 55% and above) and have qualified NET or GATE. The upper age limit is 28 years (relaxable for 5 years for SC/ST/OBC/female/physically handicapped candidates). All things being equal, SC/ST candidates will be preferred as per GOI rules.

Desirable qualifications, if any: Hands-on experience of Bioinformatics and molecular tools and techniques.

Application with complete biodata, including telephone no. and email address, along with self-attested photocopies of mark sheets, certificates and supportive documents (details of previous research work experience, if any) should reach to the undersigned by post, hand or email within 21 days of the advertisement.

No TA/DA will be paid if called for interview.

Dr. Shailendra Pratap Singh

Principal Investigator

SERB Project (P-07/641)
