Ref. No. F(A)/1-Budget/2023/ 6

Date :11.04.2023

The Directors of the Institutes/Deans of the Faculties/  
The Principal, MMV/Heads of the Departments/  
The Administrative Wardens of Hostels  
Banaras Hindu University.

Subject: Budget Allocation of Hostels for Financial Year 2023-2024-reg.

Dear Sir/Madam,

Please find the Budget allocation to the enlisted hostels of the University, including RGSC for financial year 2023-24. The allocation is based on the actual expenditure incurred by the hostels during the last financial year with substantial enhancement.

The allocation under budget head "University Resource" is flexible and it can be spent for all types of recurring and non recurring expenditure except the following items:

- (i) New Construction
- (ii) Installation of air conditioners
- (iii) Engagement of new manpower

Prior approval of the Vice Chancellor will be required for above mentioned activities. However expenditure on engagement of persons for casual/intermittent nature of work can be met out of the head "University Resources".

Allocation under "HDMF" and other separate heads have been subsumed under "University Resources". As such, no separate allocation will be made under HDMF or any other head for operation and maintenance of the hostels. However, allocation for major repairs and renovation can be considered if deemed fit by the competent authorities.

The University will make separate allocation for contractual / outsourced staff engaged in the Hostels as per approved norms. This separate allocation will be made in the Administrative budget of the University.

It shall be duties and responsibilities of all the Administrative Wardens/Wardens to ensure:

- i) that the expenditure does not exceed the budget allocation.
- ii) that the expenditure is incurred for the purpose for which funds have been provided
- iii) that the expenditure is incurred in public interest.

...2

- iv) that a demand for goods/execution of works should not be divided into small quantities to make piecemeal purchases / execution of works to avoid the necessity of obtaining the sanction of competent authority.
- v) Annual procurement plan should be prepared at the beginning of the financial year. However, in case of emergency and the requirement is not covered in the annual Procurement Plan, direct procurement without calling quotations within the limit of Rs. 25000/- should be made subject to maximum 20% of the budgeted grant.
- vi) that prescribed rules of the University/ Government of India as incorporated in GFR 2017 shall be followed strictly in all purchases and execution of work.

The Budget allocation can also be accessed from the University web-site as well as on ERP.

Yours faithfully,

FINANCE OFFICER

**CORRIGENDUM**

Dear Sir/Madam,

In partial modification to this office letter no. F(A)1-Budget/2023/6 dated 11.4.2023 conveying Budget Allocation of Hostels for the financial year 2023-24, the Budget allocation to the following Hostels of the University has been revised as under as there was an inadvertent mistake in calculation:

Sl.	Name of the Hostels	University Resource (HDMF) B.E. 2023-24
1	2	3
1.	Rani Laxmi Bai Hostel	410970
2.	Bharatendu Harishchandra Hostel	151620
3.	Lady Doctors Hostel	195510
4.	Pragya Kunj Hostel	343140
5.	Naeen Girls Hostel	215460
6.	Himgiri Boys Hostel	107730
7.	Acharya Narendra Dev Hostel	383040
8.	Old B-I Girls Hostel	43890
9.	Medical Girls Hostel	135660

Other content of the letter will remain unchanged. It is further clarified that in addition to the 'Budget Estimates' for Hostels, separate grant of Rs. 62,35,000/- has been allocated for 'Sports Activity' and Rs. 6,00,00,000/- under Contractual Staff for hostels. It is, therefore, requested to utilize these funds under different budget heads as per requirement for the designated purposes. Any requirement of additional fund will be considered at the time of revised budget allocation depending on availability of fund.

All the Heads of the Departments/Offices are requested to monitor the balanced pace of the expenditure throughout the year. The Ministry of Finance, Government of India on several occasions issued instruction to curb the rush of expenditure in the last quarter of the financial year particularly in the month of March.

It shall be the duties and responsibilities of all Heads of the Offices and Drawing & Disbursing Officers (DDOs) concerned in respect of funds placed at their disposal to ensure:

- i) that the expenditure does not exceed the budget allocation.
- ii) that the expenditure is incurred for the purpose for which funds have been provided.

- iv) that a demand for goods/execution of works should not be divided in parts to avoid the necessity of obtaining the sanction of Competent authority.
- v) annual Procurement plan should be prepared at the beginning of the Financial Year. However, in case of emergency and the requirement is not covered in the Annual Procurement Plan, direct procurement without calling quotation within the limit of Rs. 25000/- should be made subject to maximum 20% of the budgeted grant.
- vi) that prescribed rules of the University/Government of India as incorporated in GFR 2017 shall be followed strictly in all purchases and execution of work.

The grants to medical sector has been provided from under OH-31. The grant provided to the Unit, provides greater flexibility and can be used for any activity except following for which prior approval of the Vice-Chancellor will be required :

Subject: Budget Estimates (B.E.) for the Financial Year 2024-25 reg.

Dear Sir/Madam,

Please find enclosed the Budget Estimates of Academic units of the University under OH-31(RG)-Non-Salary including IoE and University Resource (SF) for the financial year 2024-25. The Budget Estimates for an amount of Rs. 1,96,56,51,000/- (Rs. One Hundred Ninety Six Crore Fifty Six Lakh Fifty One Thousand only) for Administrative units has been prepared based on the estimated grant to be received from the University Grants Commission, Internal receipts, IoE and University Resource (SF) of the University.

All the Heads of the Departments/Offices are requested to monitor the balanced pace of expenditure throughout the year. The Ministry of Finance, Government of India on several occasions issued instruction to curb the rush of expenditure in the last quarter of the financial year particularly in the month of March.

It shall be the duties and responsibilities of all Heads of the Offices and Drawing & Disbursing Officers (DDOs) concerned in respect of funds placed at their disposal to ensure:

- I) that the expenditure does not exceed the budget allocation.
- II) that the expenditure is incurred for the purpose for which funds have been provided.
- III) that the expenditure is incurred in public interest.
- IV) that a demand for goods/execution of works should not be divided in parts to avoid the necessity of obtaining the sanction of Competent authority.
- V) Annual Procurement plan should be prepared at the beginning of the Financial Year. However, in case of emergency and the requirement is not covered in the Annual Procurement Plan, direct procurement without calling quotation within the limit of Rs. 25000/- should be made subject to maximum 20% of the budgeted grant.
- VI) that prescribed rules of the University/Government of India as incorporated in GFR 2017 shall be followed strictly in all purchases and execution of work.

The grants to administrative departments have been provided from BHU Resource in addition to grants under IoE and OH-31. The grant other than IoE provides greater flexibility and can be used for any activity except following for which prior approval of the Vice-Chancellor will be required :

- (a) New Construction
- (b) Purchase and installation of ACs
- (c) New manpower
- (d) Capital/non-recurring expenditure

Subject: Budget Estimates (B.E.) for the Financial Year 2024-25 reg.

Dear Sir/Madam,

Please find enclosed the Budget Estimates of Academic units of the University under OH-31(RG)-Non-Salary including IoE and University Resource (SF) for the financial year 2024-25. The Budget Estimates for an amount of Rs. 26,67,63,000/- (Rs. Twenty Six Crore Sixty Seven lacs Sixty Three thousand only) for Academic units has been prepared based on the estimated grant to be received from the University Grants Commission and internal receipts of the University.

All the Heads of the Departments/ Offices are requested to monitor the balanced pace of expenditure throughout the year. The Ministry of Finance, Government of India on several occasions issued instruction to curb the rush of expenditure in the last quarter of the financial year particularly in the month of March.

It shall be the duties and responsibilities of all Heads of the Offices and Drawing & Disbursing Officers (DDOs) concerned in respect of funds placed at their disposal to ensure:

- i) that the expenditure does not exceed the budget allocation.
- ii) that the expenditure is incurred for the purpose for which funds have been provided.
- iii) that the expenditure is incurred in public interest.
- iv) that a demand for goods/execution of works should not be divided in parts to avoid the necessity of obtaining the sanction of Competent authority.
- v) Annual Procurement plan should be prepared at the beginning of the Financial Year. However, in case of emergency and the requirement is not covered in the Annual Procurement Plan, direct procurement without calling quotation within the limit of Rs. 25000/- should be made subject to maximum 20% of the budgeted grant.
- vi) that prescribed rules of the University/Government of India as incorporated in GFR 2017 shall be followed strictly in all purchases and execution of work.

The grants to academic departments have been provided from BHU Resource in addition to grants under IoE and OH-31. The grant other than IoE provides greater flexibility and can be used for any activity except following for which prior approval of the Vice-Chancellor will be required :

- (a) New Construction
- (b) Purchase and installation of ACs
- (c) New manpower
- (d) Capital/non-recurring expenditure

The grant under IoE can be utilized for Lab. Expenses, Printing & Stationery Expenses and organizing Conference/Seminar/Workshop as per extent guidelines.

The grants provided to units/division of a particular department other than those operating as independent centers or central facility has been merged within the departments. Hence Heads of Departments are required to provide adequate money for smooth functioning of the units/centre attached to their departments. The grant provided under paid seat has been subsumed under current year allocation, therefore, no separate allocation will be made under paid seat.

The fund allocated is lapsable by 31.3.2025 and unspent fund shall not be carried over to next financial year.

All Heads of the Departments/Offices/Coordinator of the Centre are requested to manage the expenditure within the allocated fund. All are requested to draw & forward the bill mentioning the Major Head and Minor heads as mentioned in the Budget Estimates. As per directive issued by the Deptt. Of Higher Education, Ministry of Education, Govt. of India, vide its order no. F.No. 20-5/2024(CU.IV dated 15.4.2024, the implementation of Finance Module of SAMARTH has been done in the University. Accordingly, the Budget Estimates for the year 2024-25 has also been published on the SAMARTH portal.

Co-operation of all stakeholders is solicited for prudent and efficient financial management using the SAMARTH portal from the current financial year itself. Necessary login ID is also being provided by the Computer Centre to all the users on their email ID.

Yours sincerely,

(Abhay Kumar Thakur)

The Dean of Students,  
The Admin. Warden of Hostels,  
Banaras Hindu University.

Subject: Budget Estimates (B.E.) for the Financial Year 2024-25 reg.

Dear Sir/Madam,

Please find enclosed the Budget Estimates for Hostels of the University under University Resource (SF) for the financial year 2024-25. The Budget Estimates for an amount of Rs. 4,50,68,400/- (Rs. One installment is being released immediately however, the second installment will be released on 1<sup>st</sup> of October, 2024.

All the Admin. Wardens are requested to monitor the balanced pace of the expenditure throughout the year. The Ministry of Finance, Government of India on several occasions issued instruction to curb the rush of expenditure in the last quarter of the financial year particularly in the month of March.

It shall be the duties and responsibilities of all the Administrative Wardens/Wardens and Drawing & Disbursing Officers (DDOs) concerned in respect of funds placed at their disposal to ensure:

- i) That the expenditure does not exceed the budget allocation.
- ii) That the expenditure is incurred for the purpose for which funds have been provided.

- iv) Annual Procurement plan should be prepared at the beginning of the Financial Year. However, in case of emergency and the requirement is not covered in the Annual Procurement Plan, direct procurement without calling quotation within the limit of Rs. 25000/- should be made subject to maximum 20% of the budgeted grant.
- v) That prescribed rules of the University/Government of India as incorporated in GFR 2017 shall be followed strictly in all purchases and execution of work.

The grants to the Hostels have been provided from the University Resource only. The grant can be used for any activity except following for which prior approval of the Vice-Chancellor will be required :

- (a) New Construction
- (b) Purchase and installation of ACs
- (c) New manpower
- (d) Capital/Non-Recurring expenditure like equipment, furniture, TV etc.

The allocated fund is lapsable by 31.3.2025 and unspent fund shall not be carried over to next financial year.

All the Administrative Wardens/Wardens of the Hostels are requested to manage the expenditure within the allocated fund. It is further, requested to draw & forward the bill mentioning the Major Head and Minor heads as mentioned in the Budget Estimates. Heads of the Departments/Officers/Coordinators of Centers/

BHU, Varanasi.

**Subject: Budget Estimates (B.E.) for the Financial Year 2025-26 reg.**

Sir/Madam,

Please find enclosed the Budget Estimates of Administrative Units, Academic Units, Hostels and IMS/ S.S.Hospital/Trauma Centre of the University under OH-31(RG)-Non-Salary and University Resource (SF) for the financial year 2025-26. The Budget Estimates for an amount of Rs. 42406.49 lacs (Rs. Forty-Two thousand Four Hundred six and forty-nine lacs only) has been prepared based on the estimated grant to be received from the University Grants Commission and internal receipts of the University.

2. The UGC on several occasions has instructed the University to reduce the expenditure on engagement of contractual staff in order to rationalize the expenditure under recurring head. Hence, all Head of Departments and Offices are requested to reduce the expenditure on engagement of contractual staff and try to manage the work within the allocated manpower. The Government has made it absolutely clear that the expenditure on contractual staff cannot be booked under Salary head (OH-36). Accordingly, provisions have been made under different heads of expenditure for meeting the expenditure on payment of salary/wages of contractual/outsourced staff sanctioned by the office of the Registrar, and the same should be booked accordingly.

3. The Ministry of Finance, Government of India has, time and again, issued instruction to curb the rush of expenditure in the last quarter of the financial year, particularly in the month of March. To achieve this, all the Heads of the Departments/Offices are requested to ensure that expenditure is evenly distributed throughout the financial year.

**4. It has been decided that the annual budgetary allocation for the financial year 2025-26 will be disbursed quarterly at the rate of 25% of the annual allocation per quarter.** As the first quarter is nearing completion, Departments/Units may utilize up to 50% of their annual budget by September 30, 2025, covering the expenditure of first and second quarters of the financial year 2025-26. Release of funds for the third and fourth quarters will be subject to a review of expenditure incurred during the first two quarters. To meet exigencies, advance release of funds for the third/ fourth quarters may be considered, on case to case basis, with the prior approval of the Vice-Chancellor.

5. To ensure that the instructions issued by the UGC/ Government of India on effective and efficient utilization of budgeted funds are followed, it shall be the duty and responsibility of all the Heads of the Offices and Drawing & Disbursing Officers (DDOs) concerned in respect of funds placed at their disposal to ensure the following:

- i) The expenditure does not exceed the budgeted allocation.
- ii) The expenditure is incurred in public interest, and for the purpose for which funds have been provided.
- iii) Demand for goods/execution of works is not split (divided in parts) to avoid the necessity of obtaining the sanction of competent authority and **inviting bids or open tender.**
- iv) To obtain, economy of scale, Annual Procurement plan is prepared at the beginning of the Financial Year, and all procurements are made accordingly.
- v) Prescribed rules of the University/Government of India as incorporated in GFR 2017, Manual of Procurement, and CVC Guidelines on procurements are strictly followed in all purchases and execution of work. **In case of any doubt, the Finance Office may be approached at any time before placing purchase order / Work Order / Award of Tenders.**

6. Additionally, the Heads of the Academic Departments, and Administrative Wardens of Hostels, may take note of the following important points:

- i) The grants to academic departments have been provided under the heads, namely, OH-31 and University Resources (SF). The allocation provides flexibility to the Departments/ Hostels to meet their recurring expenditure from these grants. However, in no case, **expenditure of capital/non-recurring nature be made out of OH-31, thereby meaning that funds sanctioned under OH-31 should only be used to meet the expenditure of recurring nature, and NOT TO BE USED FOR EXPENDITURE OF CAPITAL/NON-RECURRING NATURE (those covered under OH-35).** All requests for sanction of funds for procurement of items of capital/non-recurring nature be submitted to the Deputy Registrar (Development) for consideration out of OH-35.
- ii) Allocation to Academic departments under University Resources (SF) should also be primarily used for meeting the recurring expenditure of the concerned department. If it is considered essential, use of funds under University Resources (SF) may be allowed for meeting the judicious requirements of capital/non-recurring nature, however, only with the prior approval of the Vice-Chancellor. The Heads of the Academic

Departments shall submit the proposals of non-recurring expenditure out of University Resources (SF) allocated to their Department, duly approved by the PPC of the concerned Department, to the Finance Office for consideration of the Vice-Chancellor. Hence, no request for *ex-post facto* approval for capitalization of fund allocated under University Resources (SF) will be entertained.

- iii) The grants to Hostels have been provided under University Resources (SF). The allocation should be primarily deployed for meeting the recurring expenditure of the concerned Hostel. However, if it is considered absolutely essential, the Administrative Warden may submit their judicious proposals of non-recurring nature to the Finance Office along with specific recommendations of the Dean of Students, for consideration of the Vice-Chancellor. The Dean of Students, while considering such proposals, should factor-in the element of parity in availability of facilities in different Hostels. Hence, no request for *ex-post facto* approval for capitalization of allocated fund under University Resources (SF) will be entertained.
7. Process of procurement of items of capital nature/execution of works of capital nature, falling under the classification of expenditure of non-recurring expenditure, should not be initiated by any Administrative Office/ Department/ Hostel/ Unit without the prior approval of the Vice-Chancellor. Illustrative list of items, for which prior approval of the Vice-Chancellor will be required is given below:
- New Construction
  - Purchase of ACs, Invertors, Coolers, Geyser, Washing Machine, TV, CCTV, Digital Panels, Furniture, Equipment, Electronic Devices, Laptop, Desktop, any other item of Capital/Non-Recurring expenditure nature
  - Hiring of manpower

The aforesaid list is illustrative and not exhaustive. In case of any doubt, Departments/ Hostels/ Units are encouraged to seek a clarification from Finance Office with regard to admissibility of a proposed/contemplated purchase of goods/services under OH-31 or University Resources (SF) prior to initiating its procurement.

8. It is further clarified that grants provided to units/division of a particular department other than those operating as independent centers or central facility has been merged within the departments. Hence, Heads of Departments are required to provide adequate funds for smooth functioning of the units/centers attached to their departments.
9. Continuing with the budgeting pattern of 2024-25, the grant previously provided under paid seat has been subsumed under current year's budget allocation; therefore, no separate allocation will be made under paid seat.

10. The fund allocated is lapsable by 31.3.2026 and unspent fund shall not be carried over to next financial year.

All Heads of the Departments/Offices/Coordinator of the Centers are requested to manage the expenditure within the allocated fund. No additional fund will be provided unless allocation is revised upwards by the Government of India in Revised Budget Estimate. All are requested to draw & forward the bill mentioning the Major Head and Minor heads as mentioned in the Budget Estimates. Co-operation of all stakeholders is solicited for prudent and efficient financial management.

Yours faithfully,

FINANCE OFFICER

D.O.No.18011/05/2012-AI

March 7, 2016

Dear Secretary,

As you are aware, the Department of Expenditure (DoE), Ministry of Finance vide their OMs No.F.No.19024/1/2009-E.IV dated 13<sup>th</sup> July, 2009, 16<sup>th</sup> September, 2010 and 28<sup>th</sup> July, 2011, had decided that in all cases of official air travel (both domestic and international) including air travel for the purpose of LTC, where the Government of India bears the cost of air passage, the officials concerned shall travel only by Air India. The DoE had also given mandate to the Ministry of Civil Aviation (MoCA) to grant permission to travel by airlines other than Air India, in case of operational or other reasons or on account of non-availability of Air India flights on any route.

2. Keeping in view the inconvenience faced by the officials in seeking exemption from MoCA, this Ministry had taken up the matter with DoE regarding delegation of powers to the Financial Advisors (FAs) of the Ministries to grant permission to travel by airlines other than Air India. The DoE has now agreed to the said proposal and has asked MoCA to guide the FAs on various aspects of granting exemption in individual cases pertaining to their respective Ministries.

3. You are requested to instruct the FAs in your Ministry to start exercising the power to grant the said permissions w.e.f. 1<sup>st</sup> April, 2016 in accordance with the instructions contained in the DoE OMs referred to above. I am enclosing a copy each of the three DoE OMs referred to above for the guidance of FAs.
