Rescheduling of Computer-Based Test (CBT) Examination

A large number of representations have been received from candidates who have applied for more than one post against Advertisement No. 24/2023–2024, requesting that the Computer-Based Tests (CBTs) for different posts be rescheduled subject-wise, as the examination dates/timings for different posts overlap.

In view of the difficulties being faced by the candidates and with a view to providing them an opportunity to appear in the examination for every post for which they have applied, it has been decided to reschedule certain CBTs originally scheduled on 16/08/2026.

The revised examination schedule is as follows:
