Date: 07/04/2025

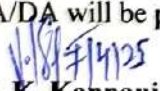

Applications are invited for the one post of **Junior Research Fellow** with a fellowship amount of Rs.37,000/- +HRA in a Anusandhan National Research Foundation (ANRF)-sponsored project entitled "**Biochemical and functional characterization of molecular crosstalk and synthesis of extracellular polymers (EPS) for adaptive fitness of cyanobacteria under dynamic environmental stress**" (Code no. P-07/1335) sanctioned for duration of three year. The post is temporary and co-terminus with the project.

Essential Qualification: The candidates should be M.Sc. degree in Botany/Applied Microbiology/Environmental Science/Biochemistry/Biotechnology with at least 55 % marks and above. Candidate must have qualified NET or GATE examination. The upper Age Limit is 28 Years (relaxable for 5 years for SC/ST/Physically Handicapped/Female candidates). All things being equal, SC/ST candidates will be preferred as per GOI rules. Candidates with experience of research in the area of the project will be preferred.

Desirable qualifications: The candidates with experience in molecular biology, biopolymer research, biochemical tools and techniques or related field will be preferred.

Application on plain paper giving name, permanent and correspondence address, names of father and mother, telephone no. and e-mail address, details of educational career (starting from High School or equivalent) along with attested copies of all mark-sheets & certificates with coloured recent passport size photograph and details of any research or other experience etc., if any, should reach to the **Principal Investigator, Dr. Vinod Kumar Kannaujiya, Department of Botany, MMV, Banaras Hindu University, Varanasi- 221005** and by email to vinodbot.mmv@bhu.ac.in within 21 days of the advertisement. The shortlisted candidates will only be intimated by email.

No TA/DA will be paid if called for interview.
