ABOUT JVM COLLEGE

JVM Trust started the Degree College in the year 2001 and is the first college in Airoli, Navi Mumbai. It is re-accredited with 'A' grade by NAAC (CGPA 3.33). The college which began with a humble beginning with just 12 students has recorded an exponential growth and is now a full-fledged co-educational institution functioning in two shifts with 9 UG courses, 3 PG courses both conventional and professional with a Ph.D. recognised centre affiliated to the University of Mumbai. Our college has also associated with Yashwantrao Chavan Maharashtra Open University (YCMOU) for B.C.A. and M.C.A. courses. College has a state-of-the-art Auditorium, a seminar hall with all the modern sophisticated audio-visual facilities and well equipped laboratories for Science and Information Technology. Our college has collaborated with various reputed institutes and companies like Tata Institute of Social Sciences (TISS), CASI Global to offer certificate courses to the students in order to enhance their employability skills.

SCOPE OF THE CONFERENCE

The Virtual Multidisciplinary National Conference on Research Perspectives, Development and Innovation MNCRPDI-2021.

This conference attempts to assist budding academicians, research scholars and students in keeping them up-to-date with the developments in the field of Higher Education and Research. This Multidisciplinary Conference will create a platform to share knowledge in all aspects of Research Development and Innovation from various parts of the country. We encourage any submissions that present innovative ideas, works-in-progress or any concepts that you think can benefit from inputs from experts. Students, Faculty and/or emerging researchers are encouraged to participate. Topics of interest for submission include, but are not limited to:

- **Research Impact Metrics**
- **Use of Open Resources in Research**
- **Role of Library in Research**
- **Role of Internet in Research**
- **Research Ethics**
- **Publication Ethics**
- **Plagiarism: Concept, Factors, Solutions**
- **Use of AI in Research**

BENEFITS OF THE CONFERENCE

- Participants can interact and share their knowledge among other researchers globally.
