---

“The millions mired in poverty here can only get rid (of it) when science is used in their interest. Such maximum application of science is only possible when scientific knowledge is available to Indians in their own country.”

-Pt. Madan Mohan Malviya

**Jointly Organized by**

MAHILA MAHAVIDYALAYA  
&  
SCHOOL OF EDUCATION  
FACULTY OF EDUCATION  
BANARAS HINDU UNIVERSITY  
VARANASI-221005  
(PMMMNMTT Scheme, MHRD)
About Banaras Hindu University

Mahamana Pandit Madan Mohan Malviya ji founded BHU in 1916 on the bank of holy river Ganga. This national institute epitomizes a synthesis of ancient wisdom and modern scientific temper spread over 5000 acres. BHU is among the world’s largest universities. Malviya ji considered education as the primary means for achieving the national awakening.

About Mahila Mahavidyalaya:

Mahila Mahavidyalaya (MMV), BHU right from its inception has been striving towards women's education. Malviya Ji foresaw immense significance of women's education and the critical role of women would have to play in the development of the country. Mahamana opened this college exclusively for women wherein an amalgamation of the vedic ideal and modern scholarship would work towards shaping the Indian women to take on their role as capable citizens.

About Faculty of Education:

Faculty of Education, BHU was established in year 1918 as Teachers Training College. It now exist as Faculty of Education situated at Kammachha complex of BHU. The faculty has been fulfilling the cherished dreams of our founder who attached great importance to teacher's education.

About the workshop:

The population of the country is continuously increasing and also the education system of our country faces several issues like, the issues of access, equity, relevance, quality, management and financing. Now days the entire world is moving speedily towards digitization and we have to learn new things using new technologies. The ICT plays a major role in addressing these issues. In this context, MOOCs are very successfully bridging the digital divide as through these courses quality of education can be brought at the doorstep of every learner at virtually no cost. Taking cognizance of such advancements, the Ministry of Human Resource Development, Government of India launched SWAYAM, an integrated developed online platform aimed at providing learning opportunities to the learners through MOOCs free of cost in the form of supervised learning and follow the concept of three A’s (Anyone, Anytime, Anywhere) by using Smart Mobile /Laptop. The content available on the SWAYAM are of high quality, curriculum-based, interactive content in different subjects across disciplines of social sciences, arts, fine arts, humanities, natural & mathematical sciences, linguistics, languages, technology, management, teacher training and skill sector and developed by the best faculty of the country chosen from various educational institutions across the country from Secondary till Post-Graduation level.

The workshop includes lecture series and hands-on training by providing adequate practical knowledge. The mandate of School of Education under PMMMNMTT scheme, MHRD is also to train in-service teachers.

Topics covered
Online Resources, E-Content, MOOCs & SWAYAM, E-Governance, Academic writings and content Analysis.

Resource Persons
Eminent scientists from all over India and highly experienced faculty members from MMV and Institute of Science, BHU will provide training to the workshop participants.
