

Summer Training programme on Application of Plant Biotechnology in Agriculture to be organized by Molecular Breeding lab of Department of Genetics and Plant Breeding, Institute of Agricultural Sciences, Banaras Hindu University, Varanasi

About the Training:

The Training Programme is designed to provide the participants updated knowledge on recent trends in the areas of Plant tissue culture, Molecular and Biotechnological techniques in crop improvement programmes.

The training includes following thrust areas:

1. General aspect of Plant Biotechnology (*7 Theory and 7 Practical Lectures*)
2. Application of Biotechnology for biotic (*4 Theory and 4 Practical Lectures*) and abiotic stresses (*4 Theory and 4 Practical Lectures*)
3. Potential of GMO's and safety concerns (*3 lectures*)
4. IPR in Biotechnology (*3 lectures*)

Total Lectures to be arranged :

(21 theory lectures one hrs each, 15 practical of 2 to 5 hrs depending upon the practical)

Who should participate?

Students (UG/PG) from public or private institutions: Preference will be given to college/university students sponsored by their parent institutions.

Training fee : Rs. 10,000/- per candidate

Number of seats available : 21

Late date of application : 16 May, 2009

The registration fee can either be deposited through cash at Institute's fee counter or through D.D. made in favour of the Director, I.Ag.Sc., BHU, Varanasi

Candidates have to manage accommodation on their own.

Application may be sent to:

The Director

Institute of Agricultural Sciences

BHU, Varanasi

Email: directoragribhu@rediffmail.com

Annexure II

Summer Training programme in the Institute of Agricultural Sciences, Banaras Hindu University, Varanasi

About the Training:

The training programme aims to cater to the research needs of student (UG/PG level) working in the area of Biotechnology, Plant Pathology & Plant Physiology. The training will help the students to learn recent techniques and knowledge in the subject.

Students (UG/PG level) from college/ Institute / University sponsored by their parent institutions.

Training fee Rs. 5000/- for the period of two months

The registration fee can either be deposited through cash at Institute's fee counter or through D.D. made in favour of the Director, I.Ag.Sc., BHU, Varanasi

Applications can be made at anytime of the year. Candidates have to manage accommodation on their own.

Application may be sent to:

The Director
Institute of Agricultural Sciences
BHU, Varanasi
Email: directoragribhu@rediffmail.com.

BANARAS HINDU UNIVERSITY
Genetics & Plant Breeding
Institute of Agricultural Sciences

**I would like to participate in the Summer Training 16th May to 6th June-2009 at The
Department of Genetics & Plant Breeding, BHU, Varanasi**

1. Mr./Ms.....
2. Designation.....
3. Sex.....
4. Date of birth/age.....
5. Academic qualifications.....
6. Area of the specialization.....
7. Name of organization.....
8. Type of organization (Govt/NGO/Private).....
9. Address.....
.....
10. City..... Pin.....
Tel. (with STD Code)..... Fax.....
11. Email.....
12. Website.....
13. Mode of Payment.....

(Signature).....
Name

Send to:

Director,
Institute of Agricultural Science, BHU

OR

Prof. Rajesh Singh
Coordinator, Plant Biotechnology
Professor of Genetics & Plant Breeding,
Institute of Agricultural Sciences
BHU, Varanasi
